The Garland Hack, on its return from Dewey Monday night, had an up-set and the only passenger, Dr. Green, had the pleasure of riding to town "bare-back" on one of the horses. If the hack had been crowded with passengers some one might have been injured to say nothing of the pleasant walk through the mud that awaited them.

Wanted:—A correspondent to send us a few items weekly from each of the following places:—Deweyville, Riverside, Elwood, Ft. Lookout, Thatcher, Penrose, Washakie, Collinston, Bear River City, Tremont and other surrounding places. Your town ought to be represented in this paper. Why not interest yourself in telling us what is doing? We will send the paper free to all correspondents and give you some paper and envelopes if you will act. Write us a letter for publication and help us build up the Great Bear River Valley.

This office acknowledges with thanks the receipt of a large up-to-date map of the United States from Rep. Joseph Howell, Washington, D. C. It is an excellent addition to this office.

Self Culture Club

Mrs. Lant entertained the club at her home Thursday afternoon March 8th Mrs. Sorensen in the chair. A discussion of the following subject was taken up: "Shall the club be conducted under parliamentary or social rules?" The subject was left over for next meeting. The ladies then finished the reading of Little David Copperfield. Dainty refreshments were served and the club adjourned for two weeks to meet at Mrs. W. D. Lewis' March 22nd.

A woman's proper place is at home, when she is needed there; not otherwise. Why should women be expected to play the part of an in-door cabbage, while we men are free, butterfly-like, to roam the world's garden on wings?

By greasing eggs with vaseline while still warm, or at any rate, within a few hours of being laid, the contents retain perfection for six weeks or two months and many do so for a much longer period. The sooner the grease is applied the longer "new laid" qualities persist.

J. C. Wheelon returned Tuesday from a trip to the state capital and some of the mining districts of Eastern Utah. On his return trip he visited the power plant in Bear River canyon and reports the snow melting fast and the river rising. Preparations are being made to begin spring repair work on the canals.

Editor Garland Globe

Dear Sir:—

Please correct an item in your issue of Mar 3rd stating Dale H. Parke may soon be attending the A. C. College at Logan.

He is taking an arts course at the U of U and will graduate in June. He is 21 years old next July and has been chosen leader of the champion team to meet the inter-state debating club at Denver Apr. 6th and he has been on the U of U debating team on two former occasions.

Yours truly
W. H. Parke.

OVER THE TELEPHONE

A new directory, with corrections and up-to-date improvements, is under way for the R. M. B. Telephone Exchange in this city and will be issued to the public about April 1st. Miss Julia Rhodes is now chief operator, Miss Fowler having retired from the service.

Mr. Bacon, Mgr. Bell Telephone Exchange, is wearing a smile that won't come off. Reason:—Wife and family coming to Garland the fore part of next week.

Last week the R. M. B. Telephone Exchange secured a blooded animal for the use of the company and this week they have bought a swell rig to go with the horse.
